

**Rich and Gail Harris** formed **Living Word Ministries International** in 1991. They have been the Senior Ministers of **LIVING WORD MINISTRIES INTERNATIONAL** since 1998 and **The Centre** in Wheat Ridge, CO. The Harris's founded The Golden Eagle School of Practical Ministry in 2002 .

In the school, **Rich brings a balanced teaching to the prophetic ministry** that dispels the lack of God's love and compassion that has distorted prophetic ministry in the church. He brings forth an emphasis of our New Covenant Prophetic Model, Jesus. It is Rich's heart to equip the body to hear God more clearly for ourselves and speak prophetically in a variety of anointings - with the emphasis that the character exceeds the gifting. His desire is to see the body of Messiah released to do the works that Jesus did and the "greater works" to which this new breed of ministry is called.

The one common denominator of the prophets of old was to bring God's people back to the promises of the Covenants and cause them to return to God's ways. Rich and Gail believe prophetic ministry today is called to unveil the understanding of the New Covenant foundation upon which the spiritual house is being built. In that building, prophetic ministry and prophecy will point us to the testimony and centrality of Jesus, the Messiah.

**Gail teaches** a challenging and unique class that reveals, ***A Prophetic look at the Hebraic Foundations of the Church- Part I & II.*** In early 1990's in the desert of Nevada, the Lord gave her a clear and concise dream. In this dream, she was sitting beside a stream in a meadow in the mountains. Suddenly huge, bold letters appeared over her head forming the words, **"GO TELL THEM, GO TELL THEM, GO TELL THEM."**

Since that time, the Lord has revealed and confirmed to Gail just what she is "to tell them." The purpose of this class is to bring that message.

**Gail also teaches, "*Principles in the Study of God's Word.-Part I & II*"**

It is her passion to teach the Body to dig deep into the scriptures gaining understanding through word studies and context from the Hebraic rather than just the Greek in which the church has been taught. Students testify it is life changing in understanding of God's Word. Gail also loves to draw out the teaching gift in her students and Part I & II of this course aims toward that goal.

Stephanie holds ministry credentials with the Assemblies of God, has recently earned her Graduate Diploma of Theology from Beacon University and graduated from Golden Eagle School of Practical Ministry. Besides teaching in The Golden Eagle School of Practical Ministry, Stephanie is on staff at The Living Word Ministry Centre, oversees the Children's Ministry, conducts youth equipping seminars and ministers on the worship team.

Donna has been a Prayer minister in the Healing Room at Faith Bible Chapel and is involved in prophetic ministry with a home group as well as functioned as a prophetic Team leader in many conferences hosted by Living Word Ministries. Donna says she does not recall a time in her life without the Lord and prayer. With four younger siblings the gift of teaching was also practiced often. It was not surprising that she became a primary teacher. Through the years the Lord has taught her much about prayer through the Word and life's happenstances. Whether in the privacy of the prayer closet or among the raised voices of corporate prayer, Donna has learned much over the years. To her, it has been a joy to war, weep, worship, converse, and plead in prayer. But it is a greater joy to continue to learn from the Word and the prophetic and share it with others. Donna began teaching in The Golden Eagle School of Practical Ministry in 2007.

Robert ministered in the Southern Baptist Denomination for 20 years - first as a youth minister in Texas where he graduated from South Western Baptist Theological Seminary with a Masters in Religious Education; then served as a Senior Pastor in two churches in North Carolina during a time that Renewal was occurring across our nation. (The stories he can tell!) Not fitting the typical profile of a Southern Baptist Pastor, he has chosen to minister as a non-denominational pastor. Robert's passion is spiritual awakening and the manifest presence of God. He and Jaci now pastor Heart of David Ministries in Wheat Ridge, CO

**Ted Hubbard** was simultaneously saved and miraculously baptized

Ted began operating in prophetic and traditional evangelism as well as deliverance ministry in 1989-1990 as a full time street missionary with the Hope for Homeless Youth Ministry in Hollywood, CA and in conjunction with YWAM. Ted continued to develop prophetically through his involvement with Vineyard churches on prayer and outreach teams and as a home group leader throughout the 90's into 2001. Ted has also done short term missions in Mexico and Scandinavia. He was the Prayer Deacon and regular intercessor for Cornerstone Baptist Church in Boulder from 2002-2007.

Currently, Ted leads prophetic outreach in the Denver/Boulder area in the streets, in jail, in the marketplace or wherever the Lord may lead.

**Victoria Selby (formally Young)** has a Bachelor Degree from the "Columbus College of Art and Design" in Fine Art, and her major was Interior Design. Upon graduating in 1995, she has been painting "Spirit Inspired" murals in homes and businesses. The Lord gives direction on how to pray for the viewers of the mural and what to declare and call out in them. The anointing is left there to change the spiritual atmosphere.

Currently Victoria is the facilitator of the "Prophetic Arts Ministry Team" at "Bridgeway Church", in Denver, Colorado. She encourages all to participate to explore the seer gifts, but she is in the process of building teams of "Wise-hearted" Craftsmen who God is calling forth to build the Body of Christ, just as Bezaleel and the other craftsmen, who were wise hearted, built the Tabernacle in Exodus 31.

She believes there are bands of artisans that God is calling forth to form a regiment that will invade the darkness of the art world, and bring Light and Revelation to those who have eyes to see.

Several years ago, God called her to "Rally the Troops", so it is her mission to call out the creative gifts in others and help them to increase their skill so they can practically utilize those gifts for building up the Kingdom. This will be Victoria's first year at The Golden Eagle School of Practical Ministry. We are thrilled to have her!
